- 6 Profit-Boosting Tips

A photograph of Randy Dowdy, a man with short grey hair and a goatee, wearing a red polo shirt with the word "BRANDT" on the chest. He is standing in a vast field of green soybean plants under a clear blue sky. The field stretches to the horizon with rows of crops.

# Tip #1: Be a Student of the Crop

TotalAcre®

## Tip #2: Simultaneous Emergence

TotalAcre®

# Tip #3: Fertilizer Placement

TotalAcre®

A large center pivot irrigation system is shown in a cornfield. The system consists of a long metal wheel with multiple arms extending outwards, supported by a central pivot point. The arms are covered with pipes and nozzles, which are spraying water onto the crops. The corn plants are green and healthy. In the background, a rainbow is visible in the sky. The overall scene is bright and clear.

# Tip #4: Manage Water

# Tip #5: Harvest Early

TotalAcre®

A photograph of two men kneeling in a field, examining the ground. The man on the left is wearing a grey hoodie, blue jeans, and a black cap, pointing towards the ground. The man on the right is wearing a black hoodie, blue jeans, and a black cap. They are in a field with green plants and brown soil. In the background, there are mountains under a clear sky.

# Tip #6: Reflect & Learn
