

NO TILL SLUG CONTROL

Stop slugs with Ferroxx's iron chelate bait and revolutionary micropellet™ technology.

Mode of Action: Ferroxx contains 5% iron chelate which acts as a stomach poison with proven performance regardless of the weather. Dead slugs and slime trails are also significantly reduced due to this unique mode of action.

Advantages:

- 5% iron EDTA active ingredient
- Micropellet™ technology delivers better coverage and uniform distribution
- 3 times as many pellets per pound compared to competitor
- Rainfast formula provides superior activity in moist conditions
- Zero PHI, zero hour REI
- Can be used around pets and wildlife
- Easily blends with granular fertilizer
- Can be applied by ground or air
- Shelf life of 5+ years
- Will not harm earthworms

Proven Performance and Value.
